Dear Holy Name Catholic School Community,

Our [school/district/RCCI] takes pride in supporting the needs of the whole child, and to ensure that all children are safe, supported, engaged, and challenged each school day. Research indicates that initiatives focused on improving aspects of students' well-being in schools — such as addressing childhood obesity, preventing bullying, supporting students mental health, and restricting use of exclusionary discipline — have been found to be successful in improving student success and academic excellence. We have assessed our wellness policy as part of the USDA requirements. Below are the results of our assessment.

Step #1- [Holy Name Assessment](#)

Step #2- [Holy Name Progress](#)

Holy Name was in full compliance for each policy area. We will continue to encourage parents to provide healthy options for their children when bringing lunch from home.

Holy Name will continue to provide information on our wellness policy and assessments on our [Holy Name website](#), which is also available to the public. We will also post the finalized and accepted versions on our social media sites.
