LETTER FROM OUR PRINCIPAL

CHRIS SEGRELL

This year has truly been a blessing and a year full of both learning and exciting activities at Holy Name Catholic School! Now that my year as interim principal is nearly complete, it's almost mindboggling to look back and reflect on all that we've accomplished this past year as a school community.

As the days progressed through the winter and then quickly into spring, it's truly amazing how much everyone has learned and accomplished. Students are excelling significantly in basic math facts and how to solve word related math problems. Reading comprehension and knowledge of vocabulary has increased, and both students and staff are making more healthy choices to improve their overall health and wellness. Grade level classes have gone on interesting and educational field trips such as to the Henry Doorly Zoo, the Luminarium, Fontenelle Forest, No More Empty Pots, Vala's Pumpkin Patch, the Durham Museum, the University of Nebraska Lincoln campus (8th grade), and much more. Students safely viewed a solar eclipse, talked with Creighton basketball players, and attended a series of very interesting artist presentations and experiences.

As I enter retirement once again, I want to say thank you to so many...to the entire Holy Name community for your tremendous acceptance and support; to the CUES School System for all the support and encouragement throughout the entire school year; to the entire Holy Name teachers, paras, and office staff members for your endless support, incredible effort, and for delivering solid and dynamic instruction to our students every day; and last but certainly not least, a very special thank you to Mrs. Logan Dunn, my outstanding assistant principal who has done such an amazing job and who has truly been such an incredible partner to me this school year!!! The Holy Name community is certainly very blessed to have such incredible teachers and staff members who care, who are exceptionally dedicated, who are true professionals, and who do everything imaginable to find creative ways to reach and educate every Holy Name child!!! Holy Name Catholic School is in great hands both now and as we move forward into the future!

Have a great summer and God bless.

CHRIS SEGRELL
INTERIM PRINCIPAL, HOLY NAME SCHOOL

SCHOOL NEWS

Holy Name School Renovation, Madonna at Holy Name

Our purpose is to create an all-inclusive space at Holy Name that would encompass after care for all students from The Hope Center, support services through Madonna and a Community Center. This is in one of the most under-served, lowest income areas of Omaha.

Madonna's Elementary program serves students in grades PK-8. Through this innovative partnership students with disabilities receive specialized services plus individualized, faith-based core instruction side-by-side with their siblings, friends, and neighbors! Something not available to children of this underserved low-income area of Omaha.

Madonna will be a part of Holy Name School in the Fall, 2024. This would be the third site of its kind in Omaha. To provide this specialized program, we have rooms and support space that will need to be renovated. This program will start by serving up to 6 students within the CUES School System who are eligible for special education services. Having this program in our system will allow us to serve a population that normally would attend the public school system but now would be given the same opportunities in a faith-based private school. This partnership will allow us to give every student a chance to be included and to belong. No student will be turned away for their inability to pay for education or support services.

NEW PRINCIPAL

Welcome Dr. Kimberlyn Oliver Ed.D to Holy Name

Kimberlyn Oliver is taking over as principal as Holy Name in the fall of 2024. In her tenure as an educational leader, she has served in both private and public districts as an elementary teacher, a teen support specialist for a non-profit, a program director for Upward Bound for the Papillion-La Vista School District, and as an administrator in K-12 Catholic schools.

She holds a certification in Agile Leadership, an IIRP certified facilitator in Restorative Practices, and certified as a Boystown Administrator for Well Managed Schools. At the Archdiocesan level, she served as a member of Diversity and Equity Committee and an Adult Resiliency Curriculum facilitator.

In her position of Assistant Principal, Kimberlyn designed, organized, and implemented a first ever Back to School Night Celebration which encompassed the theme of “Joy: Laughter and Learning.” Kimberlyn also implemented the No Place for Hate program at Holy Name which designated the school as a NPFH campus site through student led activities.

We are very excited to have Dr. Kimberlyn Oliver as the new Principal of Holy Name. She will encourage a strong value and faith based instruction. She understands the respected and diverse community Holy Name has to offer and she will do amazing in continuing to cultivate that community.

PARISH NEWS

Holy Name Woman of the Year

Jo Ann began her affiliation with Holy Name as a child, attending Holy Name School from grades 1-5. She then attended the legendary Holy Angels for the remainder of her grade school years and attended Marian High School and the College of St. Mary's. She joined St. Richard's and was a faithful daughter of the parish for its entire duration. Upon the tragic closing of St. Richard Church, Jo Ann received encouragement through a gracious note from Holy Name parishioner Peg Worthing, who invited her to join the Holy Name community. She was delighted to come full circle and return to Holy Name, where she received her First Communion and Confirmation. Jo Ann, throughout the entirety of her life, has been a fixture of North Omaha and has served the parochial and larger communities there well, teaching 8th graders at Nathan Hale for 33 years, serving as a hospice volunteer at Methodist Hospital, being an advocate for the voiceless unborn and the plight of motherhood, and caring for the hungry, homeless, and poor in our community through our parish chapter of the St. Vincent de Paul Society and as a member of the women's service club, Altrusa.

PARISH NEWS

Serra Award Winners

Holy Name School students, Felipe Acosta, Kass Goodman, and Garrett Moore, represented our parish and won the prestigious Serra Altar Server Award of 2024. Gathering for Mass on Thursday, April 25th at St. Wenceslaus Church, Archbishop Lucas and members of the Serra Club presented these fine young men with their medals and certificates of achievement. This award is given to eighth grade students who have proven themselves to be outstanding altar servers. It is clear from the performance and virtues of these young men that they deserve this award. We are sad to see them graduate and depart, but we know they will continue to embody that spirit of service in their future high schools.

Holy Name Fish Fry

Over the course of our seven Fish Frys in 2024, 11,216 dinners were served! Of course, that doesn't count those who returned for seconds and thirds and even fourths, but what a multitude! We are grateful to the Holy Name Men's Club for organizing this annual event and for the many and vitally important volunteers that make it possible: Holy Name parishioners from our English- and Spanish-speaking communities; students, teachers, and families from Holy Name School; and the many alumni and past parishioners who come back to help. It's a herculean effort but one greatly appreciated by the whole city and even denizens from Hastings, Lincoln, and Columbus! So many people look forward to the delicious fish and wonderful company that some patrons suggested we do it every month. Well, that may not be feasible, but the Fish Fry will be back in about eight months.

RESTORE THE GLORY **HOLY NAME ALUMNI FIELD HOUSE**

GRAND OPENING EVENT
THURSDAY, SEPTEMBER 5TH, 5:30 PM

Happy Spring everyone! The Holy Name Men's Club Restore the Glory Committee and Board send thanks to all our donors and friends! The Field House looks so good! We could not have done this work without each of you! As we move to the final stage of Phase I, we are gearing up to fund Phase II. Phase I allowed the work to be completed to bring the building back to life. Phase II is all about the children and families of this community and maintaining the building. As we move forward, an operations plan is being created to meet the needs of this community and neighborhood. The building will first and foremost be used by the students for their physical education classes, youth athletics, extended learning opportunities, parish meetings and events and rental opportunities.

Your support of Phase I of the Restore the Glory campaign has been incredible, now we move into Phase II! Please join us at the Grand Opening Event on Thursday, September 5th at 5:30 pm at the Field House. We will highlight many who have supported this effort and welcome Frank and Pam Solich back to the place where Frank's coaching career started and they were married.

If you would like to support the Restore the Glory Campaign, please visit our website at: www.hnmensclub.org
OR contact Colleen Peterson, Campaign Coordinator,
c.peterson@hnmensclub.org, 531-375-5872.

CUES NEWS

About CUES Fund:

The CUES Fund secures financial support through private donations to fully fund the CUES School System. The fund provides centralized leadership and governance to three grade schools: Sacred Heart, All Saints, and Holy Name. The CUES Fund is a non-religious, non-profit organization overseen by a Board of Directors.

About CUES Schools:

The CUES School System is a bold educational initiative providing centralized leadership and governance to three East Omaha elementary schools: Sacred Heart, All Saints, and Holy Name. We combine innovative instructional methods with comprehensive student and family support in a Catholic, faith-based environment to create and sustain excellent and measurable outcomes that not only impact the students we serve but also the entire community. The CUES School System is rooted in Catholic faith and values. We share God's love, kindness and excellence.
